ABOUT THE CLUB

Some members like motor sport. Some tinker with their minis. But we're not a motor sports club, and several members don't know a spark plug from a steering wheel!

Don't worry, the club exists to help members to enjoy their minis to the full by sharing their enthusiasm with others.

Year round we have a regular newsletter and monthly meetings (90% social with quizzes, games, etc) at The Crown and Mitre, off Tuesday Market Place, King's Lynn at 7.30 pm every first Monday. From April to October we either organise events (treasure hunts, skills tests, BBQs, etc) or attend shows or other mini events over a wide area.

Members are both male and female and ages range from 18 to pensioners.

Complete the form opposite, return it to our treasurer with £10 and you're one of us!
